Parents should bring their child into the Children's Liturgy Room in the Life Center before Mass begins. The Facilitator will bring the children back to Mass during the Offertory. The Curriculum used during Children's Liturgy will be Pflaum Gospel Weeklies, the preschool edition Seeds, which is centered around the theme of the Sunday Gospel. Your child will bring home a lesson page each week which includes family friendly activities and online resources to help you and your child connect to the teachings of the church as a family.

I have read, completed, and understood this registration form.
